Runners at run4change

How can you change the world for the better forever?

- Register to take part in the event at run4change.ch
- Before the run you find as many people willing to support you as possible: friends, relatives, neighbors, companies and/or clubs
- Each supporter should agree to donate a certain amount for each lap you complete (400m), or simply a lump sum (see form on page 2).
- You run or walk as many laps as you can on the day of the event.
- After the run, collect the donations from your supporters and send them to Rotary Club Zurich International via one of the options at run4change.ch/donate

Who can take part?

Everyone is welcome to sign up: joggers as well as marathon runners, children and teenagers, Nordic walkers or strollers. What counts is your participation and the financial support you raise!

Help ensure that no child is unnecessarily paralyzed by this disease ever again:

The **Global Polio Eradication Initiative** is all about eradicating Polio from the face of the earth. Why eradication? Because if the polio virus is anywhere, it can be everywhere. And the WHO has the know-how to finish the job. We are almost there.

This year 100% of the proceeds from [run4change 2024](http://run4change.ch) will go to fund the vaccination campaigns. Our goal is to vaccinate 100,000 children. More information on this ambitious project can be found at (endpolio.org).

Please join us and help support this very worthy cause. We look forward to welcoming you to [run4change](http://run4change.ch) on April 7th at Sihlhölzli!

Sincerely,

Your [run4change](http://run4change.ch) Team
